2018 Calendar Photo Criteria

Theme: ***American Water Spaniels...a breed for all seasons!***

Hi Folks! The Health and Genetics Committee would once again like you to get out your cameras and keep them handy for taking special shots! Or, get out those favorite treasured photos of an American Water Spaniel participating in *seasonal activities* and *holiday events* throughout the year!
Dogs playing in the leaves, hunting, romping on the beach, fishing on the lake, barn hunting, hiking in the woods, celebrating Christmas, Halloween and other holidays – does your little brown dog fit in one or more of these seasonal roles? We need photos right away for our 2018 Calendar.
The rules for submission are below.
Thank you,
AWSC, Inc. Health and Genetics Committee
