

AWSC Trash Duck Challenge

Get ready to test your throwing arm and your dog's retrieving skills! The Trash Duck Challenge is a fun, fast paced way to show what a great team you are, earn some bragging rights and maybe even a little cash!

Rules:

1. A team consists of 1 dog and 1 handler. Unsteady dogs may be held by a third person.
2. Each team is given 10 Avery Hex Bumpers. Only official bumpers may be used.
3. Each team is allowed 2 minutes per run. Cost per run is \$5 or 5 runs for \$20.
4. When a bumper is thrown and missed, the handler will send the dog to bring that bumper back and it is thrown again until it is made. The dog cannot leave the line until the bumper hits the ground. If the dog "breaks" (leaves early) the team will be disqualified for that run.
5. The team that scores the most bumpers in the trash can in 2 minutes is the winner. If two teams score all 10 bumpers, the team that had the fastest time will be the winner.
6. The total "pot" will be split between the winning team and the AWSC.
7. Decisions of the judges are final. The judges this year are Chad Lukehart and Colleen DeShaw.

Trash Duck will be held on Thursday, Aug. 11 at Mill Pond Park after the completion of the National Specialty Show judging. You can sign up at the event and do not need to pre-register.
